EDUCATION

Savannah College of Art and Design

Master of Architecture GPA: 4.0
2025 – 2027

Savannah College of Art and Design

Bachelor of Fine Arts in Architecture GPA: 4.0
2021 – 2025

Study Abroad 2023 — SCAD Lacoste, France

SKILLS

- Comfortable communicating design work across formats: hand sketches, video walkthroughs, and BIM models
- Quick to pick up new software and workflows, from traditional drafting tools to AI-assisted design
- Exceptional communication and interpersonal skills
- Detail-oriented and able to handle multiple tasks simultaneously

SOFTWARE

- Microsoft
- Photoshop
- Illustrator
- InDesign
- AutoCAD
- SketchUp
  - ChatGPT
  - Gemini
- Rhino
- Revit
- 3DS Max
- Lumion
- Enscape
- ComfyUI
  - Claude
  - Claude Code

PROFILE

M.Arch candidate at SCAD with hands-on experience across hospitality, civic, and mixed-use projects. Comfortable moving from concept sketches to construction documentation and fluent in both hand drafting and BIM.

PROFESSIONAL EXPERIENCE

Architectural Intern

The Johnson Studio at Cooper Carry | Jun - Aug 2026

- Gained hospitality-focused experience across a range of hotel and restaurant projects
- Produced Revit design documentation, including custom families and construction drawings
- Contributed to client-facing schematic design presentations for the studio's project teams

Architectural Intern

Rose Architects | Jan 2025 - Present

- Created detailed and precise professional AutoCAD and Revit drawings for diverse projects.
- Managed multiple tasks and projects simultaneously, ensuring timely and efficient completion without compromising quality.
- Collaborated efficiently with other members of the firm, maintaining strong communication and teamwork throughout the project lifecycle.

Digital Rendering Artist

Staging By Design | Feb - Oct 2024

- Delivered high-quality 3D visualizations remotely, maintaining clear and effective communication with design teams and clients throughout the process.
- Collaborated remotely with design teams to ensure alignment with project visions and client expectations.
- Utilized advanced rendering software to produce photorealistic images, enhancing presentation and communication.

Architectural Intern

MRP Design | Jun - Sep 2023

- Created detailed and precise professional AutoCAD drawings for national fast food franchises.
- Worked collaboratively with project managers, demonstrating strong teamwork skills.
- Consistently delivered assignments ahead of deadlines with precision and efficiency.
